Weekend Taijiquan Workshop -  
Queensland

**27 & 28 August, 2022**

*by*

Master Peter Wu Shi-zeng

Enrich & Enhance Your Jin  
Development

## **Jin Training & Principles of Taijiquan** **Level 1, Part 1**

Master Wu has conducted more than fifty Jin Workshops in Melbourne & Qld from 2009 to 2020. Over the years he has come to realize that much has been taught but there has not been enough practice. Attention to details is not quite enough either.

Therefore, since January 2021, Master Wu commenced a new form of practice, starting from scratch. Every drill now requires three practices: self-practice; partnered practice; and combative practice. Every single move requires students to drill repetitively.

This method has received very good feedback from Melbourne students & in this Workshop Master Wu will introduce this new method to Qld students. Each level will have three workshops. Each workshop will practice using

different movements. It is Master's hope that this will enable us all to have a better understanding of the movements & principles.

Students from all levels are welcome, as we will start from the beginning.
